

# Coorg Travel Itinerary.

Coorg was called the Scotland of India by the British during their visit in the 19th century. Once you enter this quaint town in Karnataka, you'll quickly realize why. Coorg is known for the surreal beauty of nature, with the mist-covered hills of the Western Ghats and pleasant weather. To enjoy the best views, visit Raja's Seat – a garden with a view of the majestic hills. Mandalpatti Viewpoint also offers stunning views and a chance to trek amid the lush greenery of Coorg.
